7.1 Linking new survey data acquisition methods and maintenance

Assessing technological possibility against societal need: smart sketchmaps for fit-for-purpose land administration.
DEMO
QUALITATIVE REPRESENTATIONS FOR LAND ADMINISTRATION

Master's Thesis by Daniel Sawatzky, Institute for Geoinformatics, University of Münster, 2017
Food for thought...

THESIS IN RELATION TO LADM

- Societal, Technical and Commercial fitness
- How to combine formal LADM structures with qualitative descriptions of land tenures?
- How to deal with ambiguous RRR?
- LADM extension: a shared vocabulary for qualitative spatial information?
Thank you!
